WISE WORDS FROM A GREAT THINKER AND OBSERVER!!

Buffalos kill 7 people every year.
 Lions kill 500 people every year.
 Hippos kill 800 people every year.
 Spiders kill 5000 people every year.
 Scorpions kill 7000 people every year.
 Snakes kill 10000 people every year.

And then, surprisingly,
 Mosquitoes kill 2.7 million people every year. Yes, the smallest are the deadliest!
 Small 'sins', hardly noticed by many, are the deadliest to your spiritual life.
 Avoid 'excuses' for not praying and allotting few moments of your day to your Creator
 Sins of omission' are just as deadly as sins of commission.
 Gossiping and small lies', are committed more frequently and are deadly
 Mind those 'little compromises' that you do daily. They are the ones that will bring your downfall.
 Successful people have two things on their lips, "Smile and silence".
 Smile can solve problems, while Silence can avoid problems.
 Sugar and salt may be mixed together, but ants reject the salt and carry away only the sugar.
 Select the right people in life and make your life better and sweeter.
 If you failed to achieve your dreams, change your ways not your Creator.
 Remember, trees change their leaves, not their roots.
 You will never reach your destination if you stop and throw stones at every dog that barks at you.
 Haters will see you walking on water and say it's because you can't swim.
 Even if you dance on water, Your enemies will accuse you of raising dust.
 Make it your ambition to lead a quiet life, to mind your own business and to work with your own hands.
 Remember Don't ever wrestle with a pig. You'll both get dirty, but the pig will enjoy it.

BE WISE!
 If you must miss any place, don't miss HEAVEN.
 If you must miss any appointment, please don't miss THE RAPTURE.

If you must miss any meal, please don't miss THE MARRIAGE SUPPER OF THE LAMB.
 The end is no more NEAR, It's HERE.

Prayer Needs:

- ◆ Spiritual growth ◆ Healing
- ◆ Financial security
- ◆ Marriage of children in our community

February was a deadly month for Christians living in Egypt's North Sinai, as seven Christians were martyred in about a three-week period. While no one has claimed responsibility for the killings, many believe the attacks were carried out by an Egyptian affiliate of the self-proclaimed Islamic State (ISIS) called Wilayat Sinai. Nearly 120 families have fled the Sinai city of El-Arish as a result of the recent attacks, and many are now living in a refugee camp in Ismailia, 125 miles southwest of El-Arish.
