Worship Him

A Song written by Ashley Wilson

I wake up and I see your
Face, your face shines like the
Shining stars as the stars in
the sky

So come on, come on and
Worship him `because he has
Risen from the dead and
Gave me life to worship him

He died on the cross so
We may have life in his
Name and let's be thankful
For what he did

So come on, come on and
Worship him `because he has
Risen from the dead and
Gave me life to worship him

Let's love him for he
Loved us first so we should
Love him with all our
Hearts and all our minds

So come on, come on and
Worship him `because he has
Risen from the dead and
Gave me life to worship him

So come on Lets go
Worship him, let's go
Worship him

So come on, come on and
Worship him `because he has
Risen from the dead and
Gave me life to worship him 2X

U.S.-based Christian child sponsorship organization Compassion International has announced it's ending its programs in India amid an ongoing crackdown by the country's Hindu nationalist government on nonprofits that receive foreign funds to stop conversions of Hindus to Christianity.

March 15 will be the "final day of operations" for the Colorado based group in India, according to a statement released by the charity, which says the decision impacts nearly 147,000 babies, children and young adults currently registered in its child development programs, as well as 127 staff.
