He Is Risen

Three magnificent, very powerful words. Three words that form the basis and foundation of Christian hope. Three words that can put energy into a feeble body. Three words that can make the impossible possible.

Three words that made Satan tremble. When Jesus said, "it is finished", Satan probably thought that was the end of Jesus. But when the earth trembled in the morning of the third day he was terrified, he knew something terrible is happening. When he heard an angel telling the women, "He is risen" he probably became limp as dead.

Three words that made the women jump for joy and run to the city. Three words that pushed Peter and John into a racing competition. Three words that wiped the tears of Mary and strengthened the Magdalene and Salome.

Three words that are working wonders through the centuries in the lives of millions of Jesus followers.

Even when the outward strength is declining the believer feels great inner strength because He is risen.

When troubles follow relentlessly the believer is calm because He is risen.

When walking through dark valleys and feeling alone the believer still courageous because He is risen.

When curable an incurable diseases attack the body the believer is hopeful because He is risen.

When disappointments come one after another the believer is not depressed because He is risen.

When finances are scarce, the world mocks and there is no one to lean on the believer is content because He is risen.

When every plan fails, the future looks bleak and God seems far away the believer is joyful because He is risen.

When death stares at his/her face, the believer is fearless and joyful because He is risen.

Rejoice, my brothers and sisters. He is risen!

"Often when we lose hope and think this is the end, God smiles from above and says, 'Relax, sweetheart; it is just a bend, not the end'."
